AMON, UNITED STATES DISTRICT JUDGE:

A status conference was held by telephone on November 13, 2003 at 11:30 a.m. Plaintiffs advised the Court that as of June 27, 2003, the plaintiff was in rehabilitation, and that the rehabilitator was in the process of determining whether to proceed on this claim. Plaintiffs requested a thirty (30) day extension of time so that the rehabilitator could decide whether to reopen the action. Defendants did not object. The Court, therefore, grants plaintiffs' application. Plaintiffs are to advise the Court within thirty (30) days as to whether the rehabilitator will proceed on this case.

SO ORDERED.

Dated: Brooklyn, New York

Carol Bagley Amon
United States District Judge
